**Building a Stronger Community
Through Quality Education**

Greetings from the Superintendent

Dear Parents and Students,

The 2023-2024 school year opens with a mission to build a stronger community through quality education.

This mission brings a dedication to improvement in each of the schools located within our district. The dedication to improvement involves academics, technology advancements, and an improved environment that is safer for all our students and staff. The administration, faculty/staff, and school board have worked hard this summer to make these improvements become a reality.

As students enter their school buildings this year they will see improvements in the computer devices they will be using, new opportunities labs with advanced technology at each school, and many upgrades to their respective school buildings. These advancements have been made to help keep “our students” on a pathway to becoming college and career ready.

South Tippah students, I am thankful to be your superintendent and I look forward to seeing you exceed the expectations that anyone could place on you. As we focus on the future of education in South Tippah, I know you will work hard to help us build a stronger community by embracing the quality education you will receive during this school year.

It is virtually impossible to write a dress and grooming code that will properly address every detail and aspect of appropriate dress and grooming. Therefore, it may become necessary for the building principal or a member of the administrative staff to make a judgment as to whether a student is properly groomed and/or dressed. A student who is not attired appropriately or exhibits grooming which is detrimental and/or distracting to the school environment shall be asked to refrain from wearing the inappropriate attire in the future or shall be required to make arrangements for more suitable or appropriate dress. If the arrangement for more suitable clothing requires the student to be absent, it will be designated as unexcused.

It should be a matter of personal pride for a student of the South Tippah School District to maintain high standards of neatness and appropriateness of dress in appearance.

The following types of clothing/accessories will not be worn:

BUS CONDUCT

School transportation is a privilege extended to students who qualify under state regulations and who obey the code of conduct for bus transportation. Student and parent cooperation is imperative. It shall be the duty of passengers transported in school buses owned and operated by public school districts to conduct themselves in an orderly manner. Students who do not conduct themselves properly as set forth in the rules and regulations will not be allowed to ride a South Tippah school bus. Severe student behavior on a school bus jeopardizes the safety and welfare of the student as well as others. Severe student behavior can also result in the suspension or other disciplinary action with the first offense and can be immediate. The purpose of any rule or regulation related to school transportation is to insure the safety of our students and staff and to provide for orderly operation of school buses. In accordance with this goal, students utilizing school transportation services shall adhere to rules and regulations of the State Board of Education, and rules and regulations adopted by the South Tippah School Board.

While on a school bus, pupils shall NOT:

- Possess or use any tobacco product or intoxicants

- Use the handrail while getting on and off the bus.
- When you must cross the road to enter the bus, or after leaving the bus, always cross in front of the bus and walk approximately ten (10) feet ahead of the bumper.
- In case of a road emergency involving a bus, or the bus and another vehicle, the students are to remain in the bus, unless given other instructions by the driver.

The school bus driver is responsible to the school district to maintain order and to insure maximum safety at all times. Therefore, he/she is authorized to instruct and otherwise control students as to proper conduct and safety while they are on the bus. All riders are expected to comply fully and promptly with the driver's instructions. The driver may assign seats on the bus and the students shall sit in their assigned seat.

DRUG TESTING

Students in extracurricular activities are subject to random drug testing. All students in grades 7-12 may be tested based on the South Tippah School District Suspicion-Based Drug and Alcohol Policy and the Random Drug Testing Policy.

SEXUAL HARASSMENT AND OTHER HARASSMENTS

The South Tippah School District is committed to providing a work and school environment that is free from all forms of discrimination and conduct that can be considered harassing, coercive, or disruptive, including sexual harassment. Actions, words, jokes, or comments based on an individual's sex, race, color, national origin, age, religion, disability, or any other legally protected characteristic will not be tolerated. The South Tippah School District provides ongoing sexual harassment training to ensure employees the opportunity to work in an environment free of sexual and other unlawful harassment.

Sexual harassment is defined as unwanted sexual advances, or visual, verbal, or physical conduct of a sexual nature. This definition includes many forms of offensive behavior and includes gender-based harassment of a person of the same sex as the harasser.

If sexual or other unlawful harassment in the work place is experienced or witnessed, report it immediately to the supervisor. If the supervisor is unavailable or it is believed it would be uncomfortable or inappropriate to contact that person, you should immediately contact the Title IX Coordinator or any administrator in the District Administrative Office.

South Tippah School District's student notification regarding reporting allegations of sexual harassment

Title IX Sexual Harassment

Title IX states "[n]o Person in the United State shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any educational program or activity receiving Federal financial assistance." 20 U.S.C. § 1681(a). The South Tippah School District does not discriminate on the basis of sex in education programs or activity that it operates.

To all students, parents, or legal guardians, and employees:

The District's Title IX Coordinator is: Ruby Bennett, 100 CR 817, Ripley, MS 38663, bennetr@stsd.ms 662-837-3030

The Title IX Coordinator is the person authorized by the school district to coordinate the District's Title IX compliance program. Any person may report sex discrimination, including sex harassment (whether or not the person reporting is the person alleged to be the victim of conduct that could constitute sex discrimination), in person, by mail, by telephone, or e-mail, or by any means that results in the Title IX Coordinator receiving the person's verbal or written report. Any District employee who knows or learns information concerning conduct related to sexual harassment or allegations of sexual harassment (student or employee) should immediately notify the Title IX Coordinator. Reports may be made at any time (including during non-business hours) by using the Title IX Coordinator's telephone number or email address, or by mail to the Title IX Coordinator's office address, listed above. Inquiries about the application of Title IX to the District may be directed to the District's Title IX Coordinator or to the Assistant Secretary of Education at the United States Department of Education, or both. Please see Policies JB and JB-P for the definition of Title IX sexual harassment and the detailed Title IX procedures.

Other Types of Sexual Harassment

The District recognizes reports of sexual harassment as being extremely serious. Any reports of sexual harassment, both Title IX sexual harassment allegations referenced above and other types of sexual harassment, will be investigated fully, and appropriate disciplinary action, as well as notification of law enforcement (if applicable), may result from such reports. Sexual harassment of employees and students will not be tolerated. Sexual harassment may include but is not limited to unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct which interferes with a person's school/work performance or creates an intimidating, hostile, or offensive environment. Other types of sexual harassment may include jokes, stories, pictures, or offensive objects, intended to alarm, annoy, abuse, or demean. Any claims of sexual harassment from students or employees should be reported to the Title IX Coordinator identified above who will determine which process to utilize based on the allegations of sexual harassment.

GRIEVANCE PROCEDURES

Every student of the district will have equal educational opportunities regardless of race, color, creed, sex, developmental disabilities, religion, or marital status. No student shall be excluded on such basis from participating in or having access to any course offerings, athletics, counseling, employment assistance, and extra-curricular activities.

Student complaint procedures for sexual discrimination, harassment, or discrimination against person with a disability are listed in the South Tippah District Board Policy and available at the district office or any principal's office (Section 504 Procedures and Title IX Procedures).

Process on how to follow a grievance:

STUDENT

The district will obtain consent from parents/guardians to initiate an investigation where the complainant or alleged victim is under age eighteen (18), and inform parents/guardians of the complainant that the complainant may be accompanied by a parent/guardian during all steps of the complaint procedure. The Title IX Coordinator shall contact the parents/guardians and provide them with information regarding the report and the Title IX sexual harassment procedures and grievance process for formal complaints. Any person may report sex discrimination or sexual harassment regardless of whether the person is the alleged victim. These reports may be made in person, by mail, by telephone, or email to the Title IX Coordinator, or by any other means that results in receipt by the Title IX Coordinator. For K-12 educational institutions, actual notice of sexual harassment is notice of sexual harassment or allegations of sexual harassment made to any employee. Please see policy JB for the definition of the Title IX sexual harassment and the detailed Title IX procedures.

EMPLOYEES

The district will respond promptly to actual knowledge of sexual harassment in an educational program or activity in a manner that is not deliberately indifferent. The records should reflect that the district's response was not deliberately indifferent and that measures were taken to restore or preserve equal access to the educational program or activity. The district will treat complainants and respondents equitably by:

1. Offering supportive measures to a complainant, and
2. Following a grievance process before imposing any disciplinary sanctions on a respondent.

The Title IX Coordinator is required to contact the complainant promptly, even if a formal complaint has not been filed, to:

1. Discuss the availability of supportive measures,
2. Consider the complainant's wishes regarding supportive measures,
3. Inform the complainant of the availability of supportive measures with or without the filing of a formal complaint
4. Explain the process for filing a formal complaint.

Please see policy JB-P for the definition of the Title IX sexual harassment and the detailed Title IX procedures.

SCHOOL SEARCHES

DESKS AND LOCKERS

Desks and lockers are school property and remain at all times under the control of the school. However, students are

responsible for whatever is contained in desks and lockers issued to them by the school. School authorities may conduct periodic general inspections at any time for any reason related to school administration. Inspection of individual lockers or desks may occur when there is a reasonable basis to do so and in those cases, the student or a third party shall be present.

AUTOMOBILES

When a school authority has reasonable suspicion to believe that illegal or unauthorized materials are contained inside a student vehicle, the student may be required to open the automobile, including the trunk, for further inspection.

SEARCH OF STUDENTS

A student's person and/or personal effects may be searched whenever a school authority has reasonable suspicion to believe that the student is in possession of illegal or unauthorized materials.

If a pat-down search of student's person is conducted, it will be conducted in private by a school official of the same sex with an adult witness of the same sex present.

CLASSROOM RULES

Classroom rules will be the responsibility of individual teachers. They will conform to South Tippah policies of student conduct and procedures and be formulated in collaboration with students.

VISITORS

The presence of visitors in the classroom creates distraction; therefore, **no visitors are allowed in the classroom.**

DELIVERIES

Flowers, balloons, and other gift items are not allowed to be delivered to any school in the South Tippah School District throughout the school year.

CELL PHONE/ELECTRONIC DEVICE POLICY

Beginning with the 2016-2017 school year, students will be allowed to have cell phones at school. However, the use of such phones will be governed by the following guidelines:

1. Once on campus, phones must be turned off and not in use. A phone that is 'on' is defined as being in use.
2. On campus, cell phones may ONLY be used for instructional purposes, at the discretion of the classroom teacher, and only during that instructional period. Instructional period is defined as any subject a student is enrolled in, including PE and study hall.
3. Administrators at each school have the privilege to ban cell phones from certain school sponsored events entirely such as field trips, field day, etc. Administrators at each school also have the privilege to ban cell phones from being on a person's body or to designate an area for cell phones to be kept.
4. No smart watches or electronic communication tools (such as Fitbits, Garmin Fitness Watches, etc.) will be worn at school. Failure to follow this regulation will result in the same discipline as being out of compliance with the cell phone policy.

Students are allowed to use cell phones on the bus to and from school within the following guidelines:

1. Students are not allowed to "talk" on the cell phone at any time as this could create an unsafe condition (noise) on the bus.
2. Students are not allowed to take pictures, including selfies, or record videos while on the bus as this could create a distraction leading to unsafe conditions on the bus.
3. Students are allowed to send text messages.
4. Students are allowed to use their cell phone and headphones to listen to music. This music is to be played at a level that cannot be heard by others on the bus.

Part 3 Chapter 41, Rule 41.1 Intervention

Adoption Date: January 21, 2005, Revision: December 20, 2018, Effective: March 24, 2019

1. The purpose of this policy is to ensure that the behavioral and academic needs of every student are met through an instructional model that is designed to address student learning with quality classroom instruction and opportunities for intervention. The Mississippi Department Education (MDE) shall require every school district to follow the instructional model, which consists of three (3) tiers of instruction:
 - a. Tier 1: Quality classroom instruction based on Mississippi Curriculum Frameworks
 - b. Tier 2: Focused supplemental instruction
 - c. Tier 3: Intensive interventions specifically designed to meet the individual needs of students
2. If strategies at Tier 1 and Tier 2 are unsuccessful, students must be referred to the Teacher Support Team (TST). The TST is the problem-solving unit responsible for interventions developed at Tier 3. Each school must have a Teacher Support Team (TST) implemented in accordance with the process developed by the MDE. The chairperson of the TST shall be the school principal as the school's instructional leader or the principal's designee. The designee may not be an individual whose primary responsibility is special education. Interventions will be:
 - a. designed to address the deficit areas;
 - b. evidence based;
 - c. implemented as designed by the TST;
 - d. supported by data regarding the effectiveness of interventions.
3. Teachers should use progress monitoring information to:
 - a. determine if students are making adequate progress,
 - b. identify students as soon as they begin to fall behind, and
 - c. modify instruction early enough to ensure each student gains essential skills.Monitoring of student progress is an ongoing process that may be measured through informal classroom assessment, benchmark assessment instruments, and large-scale assessments.
4. After a referral is made, the TST must develop and begin implementation of an intervention(s) within two weeks. No later than eight weeks after implementation of the intervention(s) the TST must conduct a documented review of the interventions to determine success of the intervention(s). No later than 16 weeks after implementation of the intervention(s), a second review must be conducted to determine whether the intervention(s) is successful. If the intervention(s) is determined to be unsuccessful, then the student will be referred for a comprehensive assessment.
5. In accordance with the Literacy-Based Promotion Act of 2013, each public-school student who exhibits a substantial deficiency in reading at any time, as demonstrated through:
 - a. performance on a reading screener approved or developed by the MDE, or
 - b. locally determined assessments and teacher observations conducted in Kindergarten and Grades 1 through 3, or
 - c. statewide end-of-year assessments or approved alternate yearly assessments in Grade 3, must be given intensive reading instruction and intervention immediately following the identification of the reading deficiency.

A student who was promoted from Grade 3 to Grade 4 under a good cause exemption of the Literacy-Based Promotion Act must be given intensive reading instruction and intervention. The intensive intervention must include effective instructional strategies and appropriate teaching methodologies necessary to assist the student in becoming a successful reader, able to read at or above grade level, and ready for promotion to the next grade.

6. A dyslexia screener must be administered to all students during the spring of their kindergarten year and the fall of their first-grade year. The screening must include the following components:
 - a. Phonological awareness and phonemic awareness;
 - b. Sound symbol recognition;
 - c. Alphabet knowledge;
 - d. Decoding skills;
 - e. Encoding skills; and
 - f. Rapid naming (quickly naming objects, pictures, colors, or symbols (letters or digits) aloud).
7. All students in Kindergarten and grades 1 through 3 shall be administered a state- approved screener within the first 30 days of school and repeated at mid-year and at the end of the school year, to identify any deficiencies in reading. **EXCEPTION: Students in grade 3 who are not identified for intervention on mid-year screeners are not required to be screened again at the end of the school year.** In addition to failure to make adequate progress following Tier 1 and Tier 2, students will be referred to the TST for interventions as specified in Response to Intervention guidelines developed by MDE if any of the following events occur:
 - a. Grades K-3: A student has failed one (1) grade;

PARENT RIGHTS AND RESPONSIBILITIES:

FAMILY EDUCATION RIGHTS AND PRIVACY ACT (FERPA), AND PROTECTION OF PUPIL RIGHTS AMENDMENT (PPRA)

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age (“eligible students”) certain rights with respect to the student’s education records.

The right to inspect and review the student’s education records within 45 days of the day the District receives a request for access. Parents or eligible students should submit to the school principal, building administrator or his or her designee, a written request that identifies the record(s) they wish to inspect. The principal will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

The right to request the amendment of the student’s education records that the parent or eligible student believes are inaccurate or misleading. Parents or eligible students may ask the South Tippah School District to amend a record that they believe is inaccurate or misleading. They should write the school principal, clearly identify the part of the record that they want changed, and specify why it is inaccurate or misleading. If the District decides not to amend the record as requested by the parent or eligible student, the District will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

The right to consent to disclosure of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent. One exception that permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the District as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person or company with whom the District has contracted to perform a special task such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the District discloses educational records without consent to officials of another school district in which a student seeks or intends to enroll.

South Tippah School District may disclose appropriately designated “directory information” without written consent, unless parent/guardian has advised the District to the contrary in accordance with District procedures. The primary purpose of directory information is to allow the South Tippah School District to include this type of information from your child’s records in certain school publications. Examples include: A playbill, showing your student’s role in a drama production; the annual yearbook; honor roll or other recognition lists; graduation programs; school web pages; and sports activity sheets, such as for wrestling, showing weight and height of team members.

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent’s prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, two federal

laws require local educational agencies (LEAs) receiving assistance under the *Elementary and Secondary Education Act of 1965 (ESEA)* to provide military recruiters, upon request, with three directory information categories-names, addresses and telephone listings-unless parents have advised the LEA that they do not want their student's information disclosed without their prior written consent.

The South Tippah School District has designated the following information as directory information:

Student's name	Major field of study
Address	Dates of attendance
Telephone listing	Grade level
Electronic mail address	Participation in officially recognized activities and sports
Photograph	Weight and height of members of athletic teams
Date and place of birth	Degrees, honors, and awards received
The most recent educational agency or institution attended	The name/s of parent/s

Parents and eligible student may review this notice and prior to the commencement of each school year and no later than September 1 request in writing at the school site in attendance that all or any part of such information on their child not be made available to the public.

The rights under the Protection of Pupil Rights Amendment (PPRA) affords parents and students who are 18 or emancipated minors (“eligible students”) certain considerations regarding our conduct of surveys, collection and use of information for marketing purposes, and certain physical exams.

These include the right to:

- *Consent* from parents before minor students are required to participate in any U.S. Department of Education funded survey, analysis, or evaluation that reveals information concerning the following areas:
 Political affiliations;
 Mental and psychological problems potentially embarrassing to the student and his/her family;
 Sex behavior and attitudes;
 Illegal, anti-social, self-incriminating and demeaning behavior;
 Critical appraisals of other individuals with whom respondents have close family relationships;
 Legally recognized privileged or analogous relationships, such as those of lawyers, physicians, and ministers;
 Religious practices, affiliations, or beliefs of the student or student's parent; or
 Income (other than that required by law to determine eligibility for participation in a program or for receiving financial assistance under such program.)
- *Receive notice and an opportunity to opt a student out of-*
 Any other protected information survey, regardless of funding;
 Any non-emergency, invasive physical exam or screening required as a condition of attendance, administered by the school or its agent, and not necessary to protect the immediate health and safety of a student, except for hearing, vision, or scoliosis screenings, or any physical exam or screening permitted or required under State law; and
 Activities involving collection, disclosure, or use of personal information obtained from students for marketing or to sell or otherwise distribute the information to others.
- *Inspect*, upon request and before administration or use--
 Protected information surveys of students;
 Instruments used to collect personal information from students for any of the above marketing, sales, or other distribution purposes; and
 Instructional material used as part of the education curriculum.

South Tippah School District students in grades 6-12 participate in a survey as part of the evaluation of the Safe and Drug-Free Schools Program. This is administered at the beginning of the school year in all district schools. A parent may request that the student opt out of the survey by making a written request in the principal's office.

Physicians at the beginning of the school year provide Physical Examinations of students who plan to participate in sport-related activities. A parent may opt the student out of the physical examination and screening provided by the school if an examination is done by a physician of parent choice and record of such is provided school. Note that a physical examination is required to participate and to protect the immediate health and safety of the student/s.

The right to file a complaint with the U.S. Department of Education concerning alleged failures by the District to comply with the requirements of FERPA or PPRA. The name and address of the office that administers FERPA is the following: Family Policy Compliance Office, Department of Education, Independence Avenue, S.W., Washington DC 20202-4505

Federal Regulations state that parents have the right to know the qualification of their child's teacher. The district schools will notify those parents of a student whose teacher is not highly qualified, as defined in Federal Regulations

Highly Qualified Teacher Definition, or should a substitute be needed for an extended period (over 4 weeks). The district will also distribute to parents a school report card each year. Should a school, based on statistical data, be determined by the Mississippi Department of Education to be classified a dangerous school, parents will be notified. Should a Title I school, based on statistical data of student achievement and growth, be determined by the Mississippi Department of Education to be in School Improvement, parents will have the right to school choice and supplemental services as determined by the Act.

The district is providing a program for English Language Learners at each school.

ABOUT THE SCHOOL-PARENT-STUDENT COMPACT

As a component of the school-level parental involvement policy, each school advisory council that is served by the Title I program has jointly developed with parent representatives a school-parent-student compact. This compact outlines how parents, the school staff, and students will share the responsibility for improved student achievement. This compact provides the means to build and develop a partnership that will help children achieve the State's high standards.

The teacher and parent or guardian is encouraged to discuss with the students the responsibilities of all groups in this shared partnership to promote productive school experiences. Your signature on the last page of this handbook signifies agreement and commitment.

SOUTH TIPPDAH SCHOOL DISTRICT INTERNET ACCEPTABLE USE POLICY

Computers in the South Tippah School District have network access to the Internet, a world-wide data highway that carries the freight of the information age, including electronic mail, digital video and sound, as well as traditional text documents. This is an incredible resource for our students. Unfortunately, there can be a down side. Some information on the Internet is not age appropriate for students. The South Tippah School District has adopted this acceptable use policy to ensure that students, parents, and teachers understand the appropriate use of the South Tippah District Network.

- A. The South Tippah District is in compliance with the COPPA AND CIPA laws. CIPA requires that the District have in place a filtering system that will block inappropriate information.
- B. COPPA requires that the District not disclose personal information about students on websites such as their full name, home or email address, telephone number and social security number. COPPA makes it illegal to transmit, or retransmit: copyrighted materials (including Plagiarism), threatening, harassing, or obscene material, pornographic material, or material protected by trade secret, and/or any other material that is inappropriate to minors.

PERSONAL SAFETY

1. Users will not disclose, use, disseminate or divulge personal and/or private information about himself/herself,

Name: Kelly Gates
Title: Federal Programs Director
Telephone Number: 662-837-7156
Email Address: gatesk@stsd.ms

- minors or any others including personal identification information, etc.
2. The South Tippah School District will not disclose personal information about students on websites such as their full name, home or email address, telephone number and social security number.

EDUCATION OF STUDENTS ON INTERNET SAFETY

Each student will receive age appropriate education on acceptable online behavior. This will include:

1. The standards and acceptable use of internet services as set forth in the District's AUP
2. Student safety with regard to safety on the internet, appropriate behavior while on social networking sites or in chat rooms or email
3. Cyber-bullying awareness and response

Following receipt of this training, the student will acknowledge that he/she received the training, understood it, and will follow the provisions of the District's acceptable use policies.

ILLEGAL AND/OR UNACCEPTABLE USAGE

1. User agrees not to access, transmit or retransmit any material(s) in furtherance of any illegal act or conspiracy to commit any illegal act in violation of local, state or federal law or regulations and/or South Tippah School District policy.
2. User shall not access, transmit, or retransmit copyrighted materials (including Plagiarism), threatening, harassing, or obscene material, pornographic material, or material protected by trade secret, and/or any other material that is inappropriate to minors.
3. User shall not access, transmit or retransmit any material that promotes violence or the destruction of persons or property by devices including, but not limited to, the use of firearms, explosives fireworks, smoke bombs, incendiary devices, or other similar materials.
4. User shall not use the network for any illegal or unauthorized access, including but not limited to hacking.
5. User shall not access, transmit, or retransmit language considered offensive, defamatory, or abusive.
6. User shall not access, transmit or retransmit information that could cause danger or disruption or engage in personal attacks, including prejudicial or discriminatory attacks.
7. User shall not access, transmit or retransmit information that harasses another person or causes distress to another person.

SYSTEM RESOURCE LIMITS

1. User shall only use the South Tippah Schools system for educational and career development activities and limited, high quality self-discovery activities as approved by the South Tippah School District faculty members for a limited amount of time per week. Any information downloaded from the Internet should be related to a teacher-made classroom assignment or project. This requirement applies to any information such as computer software and not-print images. Teachers will have disks available for student use. Students will not be permitted to bring disks from other sources for use at school.
2. User agrees not to download large files unless it is absolutely necessary. If absolutely necessary to down load large files, user agrees to download the file at a time when the system is not being heavily used.
3. User agrees not to post chain letters or engage in "spamming" (that is, sending an annoying or unnecessary message to large numbers of people).
4. User agrees to immediately notify his/her teacher or other school administrator should user access inappropriate information. This will assist in protecting us against a claim of intentional violation of this policy.

USER RIGHTS

1. User shall have the responsibility to use computer resources for academic purposes only. Therefore, as mandated by CIPA, filtering will be utilized on all computers accessing the Internet. The only exception will be for academic research by a staff member with the approval of the school administration.
2. The South Tippah School District will fully cooperate with local, state or federal officials in any investigation related to illegal activities conducted through the user's Internet account.

Routine review and maintenance of the system may indicate that user has violated this policy, school codes, municipal, state law or federal law. Parents of minor users shall have the right to inspect the contents of user's files.
5. Individual schools within the district may create additional guidelines and procedures **provided** they are consistent with this policy.
6. Use of the Internet is a privilege, not a right. Unacceptable and/or illegal use may result in denial, revocation, suspension and/or cancellation of the user's privileges, as well as disciplinary action imposed by school officials.

CONSEQUENCES FOR FAILURE TO FOLLOW TERMS AND CONDITIONS OF INTERNET ACCEPTABLE USE POLICY

1. There will be consequences for any user who fails to follow the South Tippah School District guidelines and policies.

- The consequences may include paying for damages to the system, denial of access to technology, detention, suspension, expulsion or other remedies applicable under the school disciplinary policy, and state and/or federal law. ANY USER OF THE SOUTH TIPPDAH SCHOOL DISTRICT INTERNET SYSTEM MUST Sign THE last page. (Any user is defined as student, student's parent and any teacher, administrator, staff, parent or community member using computers on campus.) **The student and parent must sign in the appropriate place and agree to the statements.**

STUDENT RESTRAINT AND SECLUSION POLICY

The South Tippah School District Board of Trustees supports a positive approach to behavior that uses proactive strategies to create a safe school climate that promotes dignity, creates authentic student engagement, and improves student achievement for all students.

In accordance with Miss. Code Ann. §§ 37-9-69 and 37-11-57, it is recognized that staff may intercede in situations wherein students are displaying physically violent behavior or are deemed to be a danger to themselves or others. The use of excessive force or cruel and unusual punishment regarding student management is prohibited, Restraint and/or seclusion shall not be utilized as a punitive measure.

Only school personnel trained in the use of restraint and seclusion should be used to observe and monitor these students. Staff engaged in monitoring students shall have knowledge of effective restraint and seclusion procedures, emergency procedures and knowledge of how to effectively debrief students after the use of restraint or seclusion.

This policy in no way shall inhibit the right of staff to reasonable self-defense in accordance with the provisions of the 5th and 14th amendments to the Constitution of the United States or the Constitution of Mississippi, nor negate the obligation of the district to provide a safe work environment.

In any situation in which a student is a danger to himself, herself or others, and it becomes necessary to contact law enforcement or emergency medical personnel, nothing in this policy guidance shall be construed to interfere with the duties of law enforcement or emergency medical personnel.

Restraint

Physical restraint is considered to be an emergency response after all other verbal and non-verbal de-escalation measures have failed in effectiveness. When using physical restraint for students who are a danger to themselves or others, staff should take precautions necessary to ensure the safety of the student and the staff members engaged in restraining the student.

- Physical restraints that restrict the flow of air are prohibited in all situations.
- The use of mechanical restraints is prohibited, except by law enforcement.
- The use of chemical restraints is prohibited.

Seclusion

The use of seclusion occurs in a specifically designated room or space that is physically isolated from common areas and from which the student is physically prevented from leaving. The room or space used for seclusion may not be locked and staff shall be present to monitor the student. Seclusion shall cease once the student regains control of his or her behavior.

In July of 2022, our school system underwent an official AHERA 3-year inspection which was completed by a licensed asbestos inspector. The system was found to be safe and with no threat of asbestos damaging materials to our students, faculty, and staff.

In addition to the AHERA inspection, we have a surveillance check twice per year in each of our schools to determine the status since the last check was made.

We will continue the above measures to help ensure our facilities are safe for everyone to work and learn.

PRINCIPAL'S MESSAGE

Dear Ripley Elementary Community,

It is an honor for me to have the opportunity to be the new Ripley Elementary principal for the 2022-23 school year. Although new to the South Tippah School District, I am bringing over 30 years of education experience, including 18 years as a school or district level administrator. My career started in the classroom as a high school math teacher. Since 2004, I have been a principal at the elementary, middle school, and high school levels, and I have worked with multiple schools under several different administrative capacities.

We, the faculty, staff, and administration at RES, will continue to build on the solid foundation created by such a strong group of current and past educators. Celebrating our successes, continually working with a clear vision, and keeping our core values in the forefront of all decisions will help us grow our students to be ready for the next step in their educational journey.

As a school builder, I am committed to creating an environment where students and staff are supported which helps all to reach their full potential. Working with you, the community, I know as a team, we will work together to accomplish new goals and overcome any challenges.

I am looking forward to building lasting relationships with the Ripley community. We welcome you to a great school year!

Sincerely,

Leigh Anne Sanderson, Principal
Ripley Elementary School

EDUCATIONAL EXPERIENCES

RES provides a balanced curriculum composed of instruction in reading and language arts, mathematics, science, social studies and physical education. Special student needs are met through special education and speech pathology classes.

SPECIAL ACTIVITIES

A variety of special activities are planned throughout the school year in which students and parents are invited to participate. Examples of these activities are:

Fall Festival, Open House, Science Fair, Book Fair, Spelling Bee, Third and Fourth Grade Ballgames, Parent Week, Grandparent Breakfast Week, and Student of the Week activities. Parent information meetings may also be held.

SCHOOL SUPPLIES

A supply list for each grade level will be provided. Each student should come to school with the necessary school supplies.

ASSEMBLIES

Students will be given the opportunity to participate in at least one assembly program during the school year.

STUDENT ATTENDANCE AND TARDIES

It is important that your child be at school each day and *on time*. Students are to be in their classrooms when the 7:45 a.m. bell rings. Students arriving after that time must report to the office for permission to enter class. Students in Bldg. I will report to the Bldg. I office and students in Bldg. II will report to Bldg. II office. **Excessive absences and tardies will be reported to the attendance officer. This will be enforced. Only 3 parent excuses and three check in/check outs will be accepted per semester. After 3, we must have a doctor's excuse to excuse an absence.** If a student is dropped off at 7:45 or later, the parent will be **required** to walk the child in and sign him/her in at the office.

Students with perfect attendance are recognized with various incentives and awards each nine week period and annually. Students with 10 or more unexcused tardies are not eligible for perfect attendance recognition. In order to be recognized for perfect attendance, a student must be on time and present all day, every day with no check outs.

STUDENT APPEARANCE

Students are encouraged to dress in a neat and attractive manner that reflects pride in themselves and their school and is in compliance with district policy. Generally, students should wear clothes which are safe, do not disturb or distract other students, and are appropriate for learning.

- A). Clothing advertising products such as cigarettes or alcohol should not be worn. Also, clothing with suggestive messages or slogans is prohibited.
- B). Cleats, taps, flip flops or other shoes that produce sound should not be worn.
- C). Caps, hats, any headgear or sunglasses shall not be worn at school.

REPORTING PUPIL PROGRESS

Report cards are sent home every nine weeks. They should be examined very closely and sent promptly back to school. A grade of D or below indicates you should conference with your child's teacher. Please call the school at 837-7203 to schedule an appointment. Also, if your child is not mastering kindergarten skills by January 1, you will be asked to come for a parent /teacher conference.

RELEASE OF STUDENTS

Instructional time continues until **2:40 p.m.** each day. Therefore, when a student is checked out early, he/she misses valuable classroom instruction. In order for your child to receive maximum educational benefits and for his/her safety, please follow these guidelines:

- A). **Please do not check your child out during school unless they have an appointment. If you check your child out early, you must show proof of an appointment.**
- B). If you check your child out and fail to get him or her completely off campus before the buses start loading, do not leave the campus until all buses have cleared the campus.
- C). All children must be checked out of school in the office if they leave before the dismissal bell. All children must load the buses to go home between the buildings along the covered walk.

Students will not be called to check out after the 2:30 bells ring. After 2:30, students will be picked up with the car riders. Parents will not be allowed to take children off the bus.

SCHOOL VISITATION

For the protection of the students, all non-students are to report to the office upon entering the building to obtain a visitor's pass. Please do not go directly to the classroom.

Parents are encouraged to visit school frequently and actively participate in the education of their child. Special activities are scheduled throughout the year which will involve parents. We request that parents avoid conferences with the teacher during such visits, but rather schedule a conference for a mutually acceptable time.

If you need to give your child a message, medication, homework, lunch money, supplies, etc. please go to the office. If you need to check your child out for an appointment, that is fine. Otherwise, do not come in and sign your child out. They will be dismissed when the car rider bell rings. Students from other schools are not permitted to visit classes with your child.

TRAFFIC RULES

- A). The speed limit on campus is five (5) miles per hour. Many parents endanger the lives of children by driving much faster. Please be careful.
- B). From 7:15 – 8:00 all gates will be open. Parents are to drop students off at the main entrance and kindergarten entrance. During this time, the middle entrance is for buses ONLY. From 8:00- 2:30 the middle entrance is the only entrance to the campus. All other entrances will be closed for safety purposes. After the buses are dismissed, all three entrances will reopen for pickup.
- C). **Cars are NOT allowed in the bus unloading zone (area between the two buildings) in the mornings.**
- D). Students in Building I (first building) will unload at one of the three west doors. Students in Building II (second building) will unload at the kindergarten entrance (Parents will enter the school at the second entrance on Bails Avenue).
- E). Cars may **NOT** enter the loading and unloading zone (area between the two buildings) in the afternoon until after the buses have loaded and moved out of this area.

TELEPHONE

The school telephone is for business calls only. Necessary plans should be made with children before they leave home in the morning. Children should get permission from their teacher and office personnel before using the phone. If you wish to speak to a teacher, leave your number, and he/she will return your call as soon as possible. **Please do not call to talk to a teacher during instruction time.** He or she will call you back during their planning time. It is also very important for your child to get in a routine, especially in how they will get home in the afternoon. Our phone lines are very busy in the afternoon, so please try to get your child in a routine so they will know each day where they will be going. **If you need to call the school to give a message about their destination, please call by 2:00 each day.**

MEDICATIONS

Medication is not dispensed to students by school staff. If your child must take medication on a daily basis you should:

- Complete a permission form for medication to be administered at school.
- Obtain a statement from your doctor giving the diagnosis, prescribed medication, and dosage.
- Bring the medication to school in its original container with the child's name and pharmacy label. **Do not send medication with your child on the bus.**
- Medication will be administered by the principal's designee.

LICE POLICY

Regular screening examinations are conducted to detect the presence of head lice or nits. Parents of students having head lice or nits will be contacted to pick up their child and administer treatment. Once student has been treated, the student may return to school. Proof of treatment must be presented at the time of return.

EMERGENCY NUMBERS

The school must always be informed as to a work telephone number or emergency number in the event your child becomes ill or is injured at school and requires your presence. Accidents, sickness or other emergencies not requiring a parent or doctor will be taken care of by the principal or her designee.

Should there be an emergency that requires medical attention and we cannot reach you, the child will be taken to the local emergency room for emergency treatment.

Please remember to notify the school of any change of address or telephone numbers.

EMERGENCY DRILLS

The safety of your child is one of our greatest concerns. The school holds regular fire, tornado, and bus evacuation drills to teach pupils to respond calmly in the event of an emergency. Detailed escape plans are posted inside the door of each classroom. Each class has an escape route to an outside area which is a safe distance from the building. During tornado drills each classroom goes to a designated area within the building. All children sit with hands covering head which rests on knees.

SEVERE WEATHER POLICY

School will be in session unless the weather makes it dangerous for school buses to run. On doubtful mornings, the local radio station/TV station will announce the school district decision.

If, during the day, weather conditions become severe enough to require buses to make their runs before the regularly scheduled time, each local radio and television station will be notified. If procedures should differ from normal, parents need to discuss in advance with their children who will pick them up or what to do in case school is dismissed early. Also, if you have signed up with the weather alert system at any school in the South Tippah School District, you will receive a phone call stating the decision about school closings.
